

Front of House Staff - Seasonal, daytime

We are looking for the right person to join our team of friendly staff. We are a busy daytime Continental style bistro with a quirky and contemporary feel aiming to provide a quality dining experience for all.

We are a unique destination set in the heart of the Eden Valley, only 4 miles from Penrith and are a family run business. This year marks our 40th year so being 'part of the team' is essential. We are looking for someone who has good customer skills to ensure customer needs are met at all times to the highest standards and to ensure a quality experience for all, with the personal touch – that is Larch Cottage.

Everything is freshly made on site from breads and cakes to all savoury dishes. Our menu, cakes and wines have been carefully chosen and are a reflection our travels through continental Europe. Even our coffee is directly imported from Florence where we first sampled this unique blend.

The ideal candidate will have a passion for hospitality and food preparation, with a willingness to assist in various tasks within a dynamic environment. We are looking for someone who is flexible with their working hours and wants to be part of our team.
